We invite you to join us for our Growth Track class, held the first four Sundays every other month.

Week One

This class is the basic introduction to the vision and values of The Tree of Life Church. Whether you just started attending, or you've been here for a while, join us for Church 101 and learn what it means to be a part of The Tree!

Week Two

This class guides you through the essential beliefs every Christian needs to find success in their walk with Christ.

Week Three

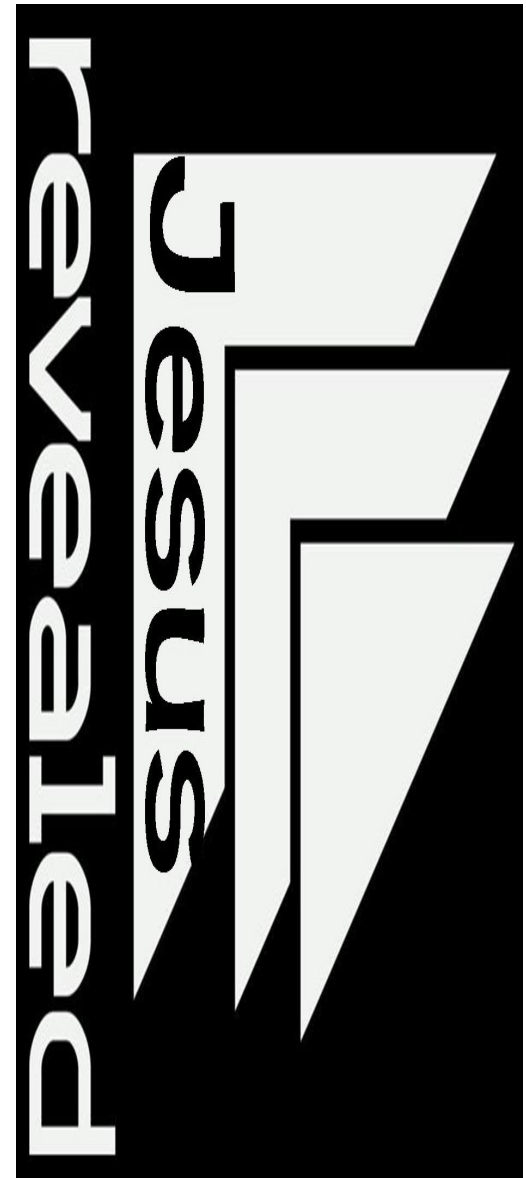

We want to help you realize what makes you so unique. This seminar will help you discover your personality, gifts, and purpose in life to see how God combines them for the best fit in ministry.

Week Four

Attend an orientation or training session in the ministry area of your choice to learn more about how to be involved.
